

JOIN AAUW

Belong to a nationwide community that breaks
through barriers for women and girls.

YOU LEARN A LOT INSIDE AND OUTSIDE THE CLASSROOM. BUT COLLEGE DOESN'T TEACH YOU EVERYTHING YOU NEED TO KNOW. THAT'S WHERE AAUW COMES IN. WE HAVE LEADERSHIP PROGRAMS AND RESOURCES THAT PREPARE YOU FOR THE REAL WORLD AND HELP YOU BECOME THE GENERATION THAT BREAKS THROUGH THE BARRIERS WOMEN STILL FACE.

BUILD YOUR LEADERSHIP EDGE

- When you graduate, chances are you will earn less than your male classmates do, even when they have the same degree and qualifications. Start Smart salary negotiation workshops teach you how to negotiate the starting salary you deserve.
- Does your campus hear the voice of its women students? Elect Her-Campus Women Win trains women on campus to run for student government and future office—so you can ensure that your voice is heard.
- How strong are your leadership skills? Every year the National Conference for College Women Student Leaders brings college students to Washington, D.C., to attend workshops, hear exhilarating speakers, and expand their leadership, advocacy, networking, and career-planning skills.
- Looking to expand your résumé by working with a national organization? We select 10 college students each year to advise us about student programs, to work together to improve your campus, and to engage in practical leadership opportunities with other college women.
- Are you ready to make a difference? Apply for a Campus Action Project Grant to improve the climate for women on your campus!
- Why wait? Get started on your leadership development right now by launching an AAUW student organization. Visit www.aauw.org to find out how.
