About LUNAFEST

The LUNAFEST Mission

To celebrate and inspire women through the art of film and community fund-raising.

About LUNAFEST

LUNAFEST is a national traveling film festival that features short films by, for and about women. LUNAFEST was established in 2000 by LUNA®, Makers of the Whole Nutrition Bar for Women®, to simultaneously promote women filmmakers, raise awareness for women's issues, and support worthy women's nonprofit organizations.

All proceeds from LUNAFEST are donated to nonprofit organizations. A screening fee of \$350 goes to LUNA's primary cause partner, [Chicken & Egg Pictures](#), a nonprofit organization that supports women nonfiction filmmakers whose artful and innovative storytelling catalyzes social change. Net proceeds from the Redlands LUNAFEST event are split between AAUW and Zonta for the benefit of women and girls in the Inland Empire.

The LUNAFEST films range from animation to fictional drama and cover topics relating to women's health, motherhood, body image, relationships, cultural diversity, breaking barriers and more. The films are selected by an outside board of advisors comprised of notables in the film industry.
