INCLUDING JOB DESCRIPTIONS
OF THE
AMERICAN ASSOCIATION OF UNIVERSITY
WOMEN
REDLANDS BRANCH**

1. BRANCH GOVERNING DOCUMENTS REVIEW

- 1.1 Branch policies and procedures and bylaws shall be reviewed every other year (beginning in 2021) by a committee appointed by the president and chaired by the immediate past president/parliamentarian. Bylaws can also be reviewed whenever mandatory amendments are required by national or state AAUW.
- 1.2 Proposed amendments to the bylaws should be sent to the district representative of the AAUW CA governance committee for approval before being voted on by the branch membership.
- 1.3 The policies and procedures may be amended or revised by a majority vote of the board when a quorum is present. No policy may be adopted that conflicts with branch bylaws or standing rules, which have priority and may only be amended as specified in those documents by a branch membership vote.
- 1.4 Whenever the bylaws, policy or standing rules are amended, the official branch copy of the document shall be updated with the date of approval on the footer of each page and distributed to all board officers within 30 days. Any revision to an existing policy or procedure approved by the board must be added to the master copy of the Policies and Procedures Handbook, emailed by the parliamentarian to all board members and posted on the branch website within 30 days.
- 1.5 When new versions of the policies and procedures are published and distributed the footer must contain "Redlands Branch Policy and Procedures" on the left, "Last Updated: [date]" in the center, and "Page ___ of ___" on the right. In order to save publication expenses, changes to the master copy of the handbook may be maintained by the parliamentarian and published as needed. Notices of such changes may be provided to members via Branches and Twigs, email, and website.

2. BOARD OF DIRECTORS MEETINGS AND BUSINESS

- 2.1 Board meetings are open to all branch members. Dates and locations of board meetings shall be published in the branch newsletter and on the branch website.

- 2.2 Any branch member may bring a proposal to the board for discussion and action at its next regular meeting by requesting the president to include the proposal as an agenda item at least seven days before the agenda is published. If the member wishes to appear at the board meeting to speak to the proposal, that request should also be included.
- 2.3 Voting by email between meetings is authorized in accordance with the bylaws. It may only be used if all voting members of the board have an active email account. It shall not be used to replace in-person discussion and voting at regular board meetings, but rather is to be used only to expedite decisions that have already been discussed at previous meetings or to handle emergency, time-sensitive business. Email voting shall use the following procedure:
 - 2.3.1 The president's email message calling for a vote must present the motion and allow at least 24 hours for discussion after a motion is made and seconded. It will be emailed to all voting members of the board as well as to the parliamentarian who is a non-voting member.
 - 2.3.2 During that discussion period, standard parliamentary procedure will apply, including the ability to amend the motion. Should there be an amendment to the original motion, the president must allow a minimum of 24 hours from that time to allow the amendment to be seconded and discussed, before a vote is called.
 - 2.3.3 All email discussion must include all voting board members and the parliamentarian, not just email replies sent only to the president.
 - 2.3.4 Should a vote of the board be required, the votes (yes, no, abstain) must be emailed to the board.
 - 2.3.5 If the issue has been discussed at a regularly scheduled board meeting within the previous two months, a simple majority shall constitute approval. If the issue has not been discussed at a regularly scheduled board meeting within the previous two months, a three-fourths vote of the board members shall constitute approval.
- 2.4 A summary of board actions at regularly scheduled or emergency board meetings shall be written by the secretary.
- 2.5 A board-to-board planning meeting shall be held after the branch elections, at which time outgoing board members will turn over their files to their successors. The date and location of this meeting shall be determined by the incoming president and advertised to the entire board.

 - 6.1.1 To retain tax-exempt status, AAUW Redlands Branch must ensure that fund raising and/or activities unrelated to its exempt purpose do not become its primary activities. Further information can be found in IRS publication 598, "Tax on Unrelated Business Income of Exempt Organizations."

- 6.1.2 Redlands AAUW Branch must register all raffle or similar activities with the state attorney general's office, filing a CT1-NRP-1 Nonprofit Raffle Annual Registration by September 1 of each year and a CT-NRP-2 Nonprofit Raffle Annual Report for all such activities carried out by the branch during that year. Such activities must be conducted such that 90% of the gross receipts go to charitable purposes in California.
 - 6.1.3 All fundraising solicitation/publicity must state the fair market value of any items provided to the donor such as meals, tickets to events, etc.
 - 6.1.4 If donated funds clearly designate a use for the funds, the funds must be tracked, and may not be moved by a board approved line item change nor a branch approved budget amendment.
- 6.2. **Fundraising Policy.** Fundraising events need to follow the following procedures:
- 6.2.1 The fund-raiser or representative must complete the **Fundraiser/Activity Requests Form** (Appendix C) for all fundraising activity.
 - 6.2.2 A branch member or committee responsible for such an event must create a budget for the event with expected income sources and categories of expenses.

 - 6.2.10 After the fundraising event, submit a **written report** to the board summarizing the event. Include a financial report including donations of in-kind gifts, a description of the event, a critique of the success of the event, and suggested changes to the event if it is to be repeated. (sample Appendix C)
- 6.3 **Safeguards.** To ensure compliance with state and federal laws and to protect AAUW and its volunteers against loss, theft and mismanagement of funds, the following procedures must be followed:

- 6.3.9 The branch may accept donations from businesses or public officials (e.g., elected officials or candidates) as long as the donor does not publicly oppose AAUW positions and as long as the donor does not receive more prominent acknowledgement than others who donate at comparable levels.

6.3.10 Conflict of Interest of an officer or member of the Board

6.3.10.1 **Purpose**

The purpose of the conflict of interest policy is to protect this tax-exempt organization's (Organization) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or member of the Branch or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

6.3.10.2 **Definitions**

1. Interested Person

Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person. If a person is an interested person with respect to any entity in the system of which this AAUW branch is a part, he or she is an interested person with respect to all entities in AAUW.

- b. a compensation arrangement with the branch or with any entity or individual with which the branch has a transaction or arrangement, or
- c. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the branch is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.
- d. A financial interest is not necessarily a conflict of interest. Under *Article III, Section 2*, a person who has a financial interest may have a conflict of interest only if the appropriate governing board decides that a conflict of interest exists.

6.3.10.3 Procedures

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors with governing board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the governing board meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board shall, if appropriate, appoint a disinterested person to investigate alternatives to the proposed transaction or arrangement.

- c. After exercising due diligence, the governing board shall determine whether the branch can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the branch's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy

- a. If the governing board has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

6.3.10.4 Records of Proceedings

1. The minutes of the governing board and all committees with board delegated powers shall contain:
 - a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's decision as to whether a conflict of interest in fact existed.
 - b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

6.3.10.5 Compensation

 - a. Has received a copy of the conflicts of interest policy,
 - b. Has read and understands the policy,
 - c. Has agreed to comply with the policy, and
 - d. Understands the branch is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

6.3.10.7 Periodic Reviews

1. To ensure the branch operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:
 - a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
 - b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the branch's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

6.3.10.8 Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, the branch may, but need not, use outside advisers. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

- 6.4. **Tax Deductibility.** Funds intended for 501(c) (3) entities (e.g., AAUW Fund and Tech Trek) must be handled in accordance with IRS and state laws to protect the donors, the branch, and the tax-exempt status of national AAUW.

- 6.4.1 When tickets are sold to a fund-raising event for AAUW Fund there are only two acceptable methods to send the monies to AAUW Fund that meet IRS requirements. (For full details see <http://www.aauw.org/files/2013/06/Events-with-Ticket-Sales.pdf>) In brief, they are:

a. **Branch Donation** - All income is recorded (gross amount), all expenses are deducted, and the remaining amount (net amount) is sent to national. NO individual members are credited with donations. This is ONE entry for the entire branch as a Special Event.

b. **Individual Donations** - The fair market value (FMV) of the event must be determined and the Event Fair Market Value Worksheet filled out and submitted with the monies to national. Individual donations should be listed minus the FMV, showing only the donation amount allowable for each attendee. (Note: It is difficult to retain funds to cover event costs when using this method.)

- 6.4.2 Branch or individual contributions to Tech Trek shall be handled through the Pass Math-Science 501(c)(3) Donor checks must be made out to Pass Math-Science 501(c)(3), not to the branch, in order to meet IRS requirements for tax deductibility.

- 6.4.3 Donations to the branch for AAUW Redlands scholarships are not tax-exempt to the donor. Contributions must be kept separate from other funds. See the responsibilities of the AAUW scholarship chair (page 27) for specific guidelines.

7. CANDIDATE ENDORSEMENT

- 7.1. Candidates for public office may only speak at candidate forums or branch events in accordance with AAUW Policy #301. [AAUW policy is posted on the AAUW website: www.aauw.org/resource/aauw-board-of-directors-policy-book/]
- 7.2 Branch endorsements of candidates for non-partisan public office or public agencies within the Redlands area may be made using the procedures outlined in AAUW Policy #301.

- 7.3 An individual member may endorse, as a private citizen, candidates for appointive or elective office, partisan or non-partisan, but such endorsement shall not use the name of AAUW. The individual member endorsement shall not include any mention of her/his AAUW membership. (See Standing Rules)
- 7.4 As a candidate for any office, a member may declare membership in AAUW as long as she or he is not opposing any AAUW program or policy. Declaring one's AAUW membership opposing an AAUW position violates the AAUW Use of Name policy. (See Standing Rules)

Description of the Event or Activity Requested

SAMPLE WRITTEN REPORT SUMMARIZING THE EVENT INCLUDING FINANCIAL REPORT.

2014 LUNAfest of Redlands: Event Report

Our second LUNAfest event was another success. Attendance, participant enjoyment, audience feedback, and fundraising were all positive. Based on the results this year, the committee recommends we continue the AAUW/Zonta partnership to duplicate and improve this event for 2015.

Event description: LUNAfest was held on April 4, 2014 at the Esri Auditorium and foyer 5:30PM-9:00 PM. Tickets were sold in advance, in person and on-line, and at the door for \$35 adult/\$20 students. The event schedule was as follows:

5:30 doors open

6:00 -7:00 Reception – appetizers and drinks (wine, beer, coffee, tea)

7:00 Welcome

7:15-8:45 9 short films chosen and provided by the LUNAfest organization

8:45-9:00 Wrap-up discussion led by local film maker/film school professor

Schedule changes from the previous year included opening the doors earlier, eliminating the Breast Cancer speaker, and serving coffee/cookies before the event with all the other food, rather than after the event.

The primary purpose of this local Lunafest was to raise funds to provide scholarships to women attending either a four-year university or a two-year community college in our local area. Additional goals were to provide an entertaining and educational event in Redlands for a wide variety of participants, to promote the work of women film makers, and to celebrate women's life experiences and stories as depicted through film.

Attendance: The committee anticipated an attendance of 250-300 for the event. 281 tickets were sold. This year we added the ability to sell tickets on-line, which was a big benefit to our members as well as attendees outside the Redlands area. We did not count the actual number of people who attended, which was slightly less than the number of tickets sold. The majority of people in attendance were women, ranging in ages from 14 – 90. About 20 men attended.

Venue: The Esri auditorium was perfect for this film event. Esri provided signs to locate the auditorium as well as a greeting slide for their electronic billboard and the auditorium. This greatly added to the perceived quality of the event. Shelli Stockton served as our initial Esri contact. We worked with Erin Gardner from the Esri events staff and Angie Diaz from the Esri Café planning the specifics of the event and both were in attendance to oversee things on that day. We cannot overstate the professionalism of everyone from Esri who helped with the event.

Participant enjoyment and feedback: Both formal and informal feedback on the event has been overwhelmingly positive. Surveys were handed out at the end of the event and 150 were collected. Of these, all responses were positive about the overall event, with just a few comments of ways to improve things, particularly related to the reception. Participants liked the intergenerational appeal of the films, the community spirit it invoked, the discussions the films generated and the incredibly beautiful venue. Many attendees commented afterwards that they had many friends and relatives that they would like to invite next year, now that they know what to expect. Men commented that the event appealed to both genders. The Esri staff and facility received particular praise with

comments like: a beautiful, classy venue; perfect for the event; they were so nice to us, even holding flashlights to light our way as we left.

Reception: The reception included two open bars serving wine and beer. Food consisted of stations placed around the periphery of the atrium to make it easier for people to move through the space, bar height tables in the outdoor area and minimal indoor seating. We placed the check-in/will call tables outside of the main entrance to maximize the indoor space. Menu included: Dates wrapped in bacon, mushroom tartlets, fruit kabobs, cookies, coffee station, Iced tea & water station. All the changes made this year were focused on maximizing the indoor space to accommodate the large number of people, ease the lines at the bar (big problem last year), and get people milling around.

Fundraising: Income was primarily from ticket sales and sale of opportunity basket tickets. For the first time, we sold some sponsorships for the event, and we anticipate in future years we can expand the revenue for the event this way. Donations to the event included the LUNAfest support supplies (flyers, posters, postcards, and programs), the Esri venue, Esri support personnel (including A/V tech, event staff, and security), Hangar 24 beer, Wine from State Street Winery and Domenico's Restaurant, and multiple items for the gift baskets. Expenses for the event included a small amount for tickets, mailings and miscellaneous items with the bulk of the expense being the reception catering and bartender/server charges which were contracted thru the Esri Café. Income and Expense report attached.

Plans for 2015: The committee recommends that we repeat this event in 2015. We hope Esri will again agree to partner with us by providing the venue and support personnel that made the event so successful on all levels. We have no doubt the event will sell out next year. As plans begin for next year a few recommendations have already emerged:

- Submit a request to Esri to repeat the event in their facility and secure an appropriate date. Early April seemed to work, and Friday was a great day of the week.
- Submit the requested date to LUNAfest as soon as the 2015 events are announced (early October 2014).
- Explore the possibility of a second film-only event at UofR by partnering with Women's studies or their student life office. UofR has held this event in the past as a campus educational event, rather than a fundraiser. We want to honor our partnerships with UofR and include them if possible. We want to be careful to do this in a way that does not detract from our primary fund-raising event.
- Reception changes – we had two bars this year, because of problems last year, but with the other changes to the reception, we feel we can go back to one bar line. Food was terrific this year. We ran out of wine at 6:45, so an extra few bottles are needed. Very little beer was consumed. Perhaps we reconsider this item or think of a way to promote it more.
- We can increase revenue by selling additional tickets, since we did not sell out this year. We should also make sure we begin selling sponsorships before Christmas, so we can make the most of our marketing opportunities.

Respectfully submitted by the LUNAfest planning committee:

Zonta: Michelle Bitonti, Sandy Arsenault, Linda Derebery,

AAUW: Heather Abushanab, Kay Dobberty, Leslie Priest, Ivette Barnett
