Sue's News

We have started off the year with a bang. From the emails I received, everyone felt our first Zoom webinar branch meeting was a success. We critiqued that meeting at the board meeting the following Monday and have developed some new ideas to address concerns. In the future we will have a Zoom meeting that you will be able to join first for a social time with members and a later webinar where we can have our branch meeting with guest speakers. The first meeting will be scheduled for 20 to 30 minutes to give members a chance to see and speak with each other. We will even be able to conduct smaller break out groups similar in size to our usual tables at the branch meetings to facilitate communication with each other. All will meet together at the end to report and then be given directions on how to connect to the webinar for the branch meeting. We are hopeful this will allow us to stay connected with each other.

We have several important events coming up in October. But first, I hope everyone purchased a ticket for our Lunafest fundraiser that took place on September 18. Our October branch meeting is being planned by our Public Policy Committee. We will hear the pros and cons of three of the propositions on the ballot in November to help you make a more informed decision on how you will cast your vote. League of Women Voters *PROS & CONS* on propositions 14-25 is attached to the newsletter. The Public Policy Committee, under the leadership of Dianne Landeros and Kris Goodfellow, has created two forums that will allow our members and members of the community to listen to the candidates who are running for Redlands City Council and Redlands Unified School District School Board. These positions are non-partisan. There is information on page 2 that describes how you can connect to these forums on October 3 and October 4 and the flyer is attached to the newsletter. Lastly, we are looking forward to our annual Footlighters fundraiser that will take place on October 16. Check out the flyer on our Facebook page, and look for more information to appear in your email box.

This is going to be a challenging year, but so far it looks like we are up to the challenge. Please let me know if you have concerns or suggestions, and I will make sure we address them. I am looking forward to seeing everyone at the next branch meeting.

October Branch Meeting:

The Public Policy Committee is working hard to get you ready for the elections!

Our October 6th meeting will feature a debate on three propositions that are on the ballot this year. They are [Prop 15](#), split roll taxation, [Prop 22](#), rollbacking of the gig-economy legislation passed last year, and [Prop 24](#), changing the consumer privacy laws that went into effect at the beginning of the year. Each speaker for and against will give a three-minute opening statement, a two-minute rebuttal, and a one-minute closing statement. We will not have time for questions; however, we would be happy to pass your questions along to the appropriate speakers in advance so that they may address them in their remarks. Please submit questions to Kris Goodfellow at krisgoodfellow@gmail.com.

Additionally, we wanted to provide everyone with some information about all of the propositions on the ballot

27th Annual Footlighters Theater Event--Friday, October 16 **DANCING IN THE DISTANCE**

Our annual Footlighters Theatre event (set for October 16 at 6 PM) will feel a little different this year—We'll be ***watching the show outdoors!*** The two-hour event will be hosted by "Piano Man" Patrick Vargas (have your requests & dedications ready!) and will showcase popular dance favorites performed by the Unity Dance Company. We will (safely) serve tasty Refreshments, and a lucky ticket-buyer will win the door prize!

Photo: Joe Impastato

The Footlighters parking lot has been reconfigured to include an outdoor stage and audience area, which meets safe physical distancing requirements. Open seating--chairs will be provided, but feel free to bring your own comfortable portable chair if you wish. Face masks are required; hand sanitizer will be available.

Tickets are \$25 each and can be purchased on Eventbrite <https://www.eventbrite.com/e/aauw-presents-dancing-in-the-distance-tickets-120807978917> or by calling AAUW at 909-362-4955.

Tickets are also available from event committee members (contact Kathryn Brown, Chair)

As always, proceeds from this event will benefit both our local AAUW Redlands programs & scholarships as well as the AAUW Fund. **Flyer attached to this newsletter**

The AAUW of California Fund Committee is proud to honor our 2020-2021

California Fellow and Grant Recipients at a **VIRTUAL LUNCH**

As we shared with you in the August B2B, the 2020-21 Fund luncheons will be replaced by two webinars, which will be held on two dates at one location--your computer. While we will miss the social gathering aspect of the luncheons, the webinars may afford the opportunity for those hampered by distance or other physical constraints to participate. There will be different speakers at each event, so you are welcome to attend one or both webinars. Please note these dates in your branch calendars:

Saturday, October 10th, and Saturday, October 24th. Both webinars will begin at 1:00 p.m.

Don't forget to register for the Zoom webinars by clicking [HERE](#).

In 2020-21, AAUW is awarding \$3.5 million to more than 200 women and community projects to improve the lives of women and girls. 22 of the recipients are here in CA!

I AM, THEREFORE I ZOOM

I Am, Therefore I Think has responded to Covid-19 by deciding to conduct their monthly meetings on Zoom. The new skill set required for zooming called for someone who knew her way around the app, thus we were very fortunate that Toni Momberger graciously volunteered to serve as Acting Chair for this new venture.

Some of the topics for discussion this year will focus on that giant Pandemic in the room: "Coping with Covid" (sharing strategies for managing your life during a pandemic), facilitated by Barbara Krause. Then, from a very different perspective, Marie Mitchell will lead the discussion titled "It Took a Pandemic To. . ." (ways that Covid-19 has changed our lives for the better).

Erica Wilson, who has been instrumental in forming the AAUW Racial Justice Discussion Group, will present "Racism: Changing the Discussion," while Pamela Ong will ask us the same question the *L.A. Times* asks the author being interviewed each Sunday, "What's on Your Nightstand?" (a look at all those books one has stacked up, intending to read, or has read only partially so far). At our last topic meeting, back by enthusiastic demand from I Am'sers, Cheryl Jordan will once again head-up "Bring a Poem" where participants share a favorite poem, a newly discovered poem, or one of their own poems.

Contact Viktoria Norberg, Co-Chair, if you'd like a complete 2020-21 schedule; it will also provide the Zoom information if you wish to attend. And we happily welcome all those who want to come and "sit in" on any meeting. (No shoes required, but we do ask that you wear a shirt.)

~ Viktoria Norberg

Get to Know our AAUW Redlands Board Member

Hi, I'm Barbara Abrams Simmons, and I am very pleased to be a Member At Large this year. I was born in Seattle, Washington, where I spent my first seven years, and then we moved across Lake Washington to Bellevue, Washington, where I lived until I got married in 1969, but we remained in the area for two years.

My road to education was a bit different than many of you. I was frankly not ready for college at the age of 18. Sure, I attended for awhile, but I just wasn't serious about it and knew that I should leave before I got that dreaded "invitation" to leave. I attended and completed secretarial college, then worked, traveled to Europe with friends, worked some more, and married. When I married my husband, Don, he had just completed his sophomore year at the University of Washington School of Medicine. Once he completed his medical school training, we moved to California for one year of internship with every intention of returning to Washington

State.

Don used to love to say, "If you want to make God laugh, just tell him your plans." Enter our first child, Mara, who was born with Spina Bifida and Hydrocephalus. She became my full-time job, and we somehow never made it home.....partly because we discovered that trying to walk in the rain with braces and crutches often left one face down in a puddle. Soon we had a second daughter, Amy, and our family was complete.

Once the girls were older and I had experienced a lot of fun volunteering in Redlands (we moved here in 1981 for Don to practice his specialty of OB/Gyn), I decided to return to college in 1984. I'll never be sure what happened between 1965 and 1984, but boy did those professors become ever so much more interesting! I didn't just love college, but I devoured it. I began at San Bernardino Valley College part-time and then onto CSUSB full time where I got my B.S. in 1989. Then I remained at CSUSB for my Masters in Clinical/Counseling Psychology. We lost our beloved Mara in 1994, and since she also wanted to be a therapist, I tried to be a therapist for not just myself but also for Mara. Not long after I became a Licensed MFT, and I went to work for Kaiser Permanente in Riverside.

Even though I didn't complete college when I was young as most do, I really did value education. I'll never forget driving to campus to take my last final of my last class to fulfill my degree requirement. I cried all the way there. I was so happy that I had finally achieved, what was to me, what I was meant to do. The Master's degree was merely icing on the cake. Once I was working, I did join this chapter of AAUW, but I soon learned that I didn't have the availability to attend meetings and volunteer. I rejoined in 2013 after I retired. Don died in 2014, and AAUW and the various groups have been a Godsend to me to fill up many empty hours. I am so happy to be a part of this important and prestigious organization that is dedicated to helping women achieve their full potential.
