

The American Association of University Women, Redlands branch is dedicated to advancing equity for women and girls through education, empowerment, and advocacy.

# FilmFest Fundraising

FilmFest proceeds benefit women and girls of the Inland Empire through the AAUW Redlands Branch Mission Fund. Proceeds are used for our Speech Trek competition, high school scholarships, National Conference for College Women Student Leaders scholarships, Nancy Yowell Memorial Scholarships for women returning to college after an interruption, voting registration activities, and outreach to local colleges and universities.

AAUW Redlands is run by volunteers, therefore 100% of the FilmFest proceeds goes into the Mission Fund.

## 2025 FilmFest

FilmFest provides an enjoyable evening of film and fellowship, while showcasing women in the film industry and raising awareness of issues that impact women.

### **Reception and Raffles**

The evening begins in the Esri Café with a reception featuring a variety of hot or cold hors d'oeuvres and desserts catered by the Esri Café staff. Drinks include wine, beer and flavored waters. Attendees can purchase raffle tickets for opportunity baskets.

### Film Screening and Sponsor Showcase

The film screening is held in the beautiful Esri Auditorium where sponsor slides are shown as guests find their seats. Our emcee shows each sponsor's slide, video, or logo according to their sponsorship level and speaks about their business offerings. The films are shown, then the event ends with the raffle drawing and additional acknowledgment of our sponsors.

### The 2025 Films

The short films, appropriate for audiences over the age of 13, include a mix of drama, comedy, documentary, and animation. Total viewing time is  $^{\sim}1.5$  hours. We are confident our audience will be pleased with this year's film selections.

### **Attendees**

The Esri Auditorium can hold up to 350 guests. Most of the attendees are women, though men are welcome and do enjoy the event. We anticipate selling out the event again this year.
