2026 FilmFest

FilmFest provides an enjoyable evening of film and fellowship, while showcasing women in the film industry and raising awareness of issues that impact women.

Reception and Raffles

The evening begins in the Esri Café with a reception featuring a variety of hot and cold hors d'oeuvres and desserts catered by the Esri Café staff. Drinks include wine, beer and flavored waters. Attendees can purchase raffle tickets for opportunity baskets. Sponsors may donate a basket for additional recognition.

Film Screening and Sponsor Showcase

The film screening is held in the beautiful Esri Auditorium where sponsor slides are shown as guests find their seats. During the pre-show with the full audience, our emcee shows each sponsor's slide, video, or logo according to their sponsorship level with scripting added for the Oscar and Golden Globe sponsors. The films are shown, then the event ends with the raffle drawing and additional acknowledgment of our sponsors.

The 2026 Films

The short films, appropriate for audiences over the age of 13, include a mix of drama, comedy, documentary, and animation. Total viewing time is ~1.5 hours. We are confident our audience will be pleased with this year's film selections.

Attendees

The Esri Auditorium can hold up to 350 guests. Most of the attendees are women, though men are welcome and do enjoy the event. We anticipate selling out the event again this year.

A second showing is possible in 2026, adding more attendees.
